

Call for Art

Photos, paintings, word art, fabrics—on the theme of

I^amMigration

We invite you to submit art on the theme of immigration—photos, paintings, fabrics, sculpture, poems, or short video pieces—for a community art show in May 2023 at the Gallery at Sanctuary in West Medford.

In whatever art form you choose, tell us about your own journey, where you come from, where you are or where you're going. Share with us what it's like to look through your eyes.

You may have come from another country or continent and had to learn a new language and culture. The journeys may have been challenging, difficult, confusing or dangerous.

By sharing our migration experiences through art, we come to better know, accept and celebrate each other and the cultures we bring with us.
